

Aircraft Owners and Pilots Association of China(AOPA) Membership Guide

1. About AOPA-China

Aircraft Owners and Pilots Association of China (abbreviated as AOPA-China) is the first civil aviation industry association ratified by Civil Aviation Administration of China(ACCA) in 2003, officially registered and established through Ministry of Civil Affairs in 2004. It is the sole legitimate representative of the International Aircraft Owners and Pilots Association(IAOPA) in China(including HongKong, Macao, and Taiwan). AOPA-China is a national non-profit social organization voluntarily established by aircraft owners and pilots nationwide.
